# MAIN BATTERY

## Features & Benefits

The T800 Main Battery is designed to provide a main power source for the device when the AC adapter is not connected/charged. The battery icon at the back of the battery pack changes appearance to display the current state of the battery. When the battery is low, it alerts users to take action as a reminder to help maintain optimal battery performance.

### Product Information

Battery Type : Lithium-ion  
Capacity : 7.4V, 4100mAh (31.08 Wh)  
Battery Pack Weight : 215g

# PROTECTION FILM AG

## Features & Benefits

This screen protection film is cut precisely to fit the T800-EX tablet and is easy to install and remove without leaving a sticky residue. With anti-glare coating, it not only protects the screen from the rigors of daily use but also helps to diffuse light on the screen and reduces glare, providing effortless readability for displayed information under common ambient lighting conditions.
